

Multi-Skill Pipeliner

Wolverine Pipe Line Company is a transportation service company, headquartered in Portage, Michigan and incorporated in 1952. We have over 85 employees in the three states we operate - Michigan, Indiana and Illinois. Wolverine operates 700+ miles of active steel pipeline, connecting Chicago refineries to terminals in Michigan and Northwest Indiana and moving product west to east. We transport over 350,000 barrels or 14.7 million gallons of refined products a day. Wolverine also provides approximately 30% of Michigan's daily refined products supply. We deliver the products that fuel the nation.

Wolverine does not own the product we ship. We are strictly a transport vehicle for our customers, much like UPS or FedEx is for packages. The Federal Government regulates the tariffs Wolverine charges to transport products between origins and destinations.

Why Should You Apply?

- We hire for the long term and we invest in your success
- We offer an outstanding benefits package that includes medical, dental, vision, paid vacation and holidays and 401k with company matching and additional company contribution after 1 year of service
- Great compensation
- Low employee turnover rate

Benefits:

Wolverine offers a competitive Total Rewards Package that consists of:

- Medical/Dental/Vision Insurance
- Life Insurance Plans
- Paid Time Off
- Tuition Assistance
- 401(k)
- Employee Recognition Programs

- May perform carpentry, painting and mowing
- Dig ditches, lay pipe and backfill ditches
- Operate heavy equipment
- Launch and receive inline inspection tools
- Assist in a variety of mechanical, technical and welding tasks as required

- Respond appropriately to emergency situations and assist other team members in conducting safety drills
- Inspect fire and other safety equipment to ensure that they are maintained and operational
- Operate and maintain equipment and various hand tools
- Assist with and relief of Utility Station Operator or Damage Prevention Specialist duties
- Obtain/ maintain operator qualifications
- Maintain drivers log book during travels when applicable
- Ensure equipment is in proper operating condition by performing preventative maintenance, repairs, adjustments, replacement of minor parts and equipment lubrication
- Ensure strict compliance with Wolverine's excavation manual
- Respond to after-hour emergency/ troubleshooting calls
- Perform other related duties and assignments as directed
- Must maintain good driving record
- Regular attendance

Education, prior work experience and specialized skills and knowledge:

- High school diploma or equivalent required
- College education preferred
- Valid driver's license with good driving record; CDL A preferred
- Use of MS Office suite easily and efficiently
- Good communication (both oral and written) as well as interpersonal skills

Physical Environment/working conditions:

- Frequent work in a field environment
- Frequent physical labor
- Frequent sitting, climbing, standing, walking, kneeling, bending, stooping, crouching or crawling
- Frequent work in various locations, both indoors and outdoors, in a variety of weather conditions, temperatures and terrains
- Occasional work at elevated heights
- Frequent reaching for and gripping objects
- Frequent lifting, pushing, pulling and carrying up to 40 lbs.
- Frequent use of various tools
- Frequent daily driving to multiple locations within work area as well as travel outside of work area with overnight stays
- Frequent use of tools and operating heavy machinery
- Frequent work in confined spaces
- Ability to work in stressful conditions with the ability to adapt and respond to changing circumstances
- Ability to perceive colors
- Frequent reading and use of telephone

Other:

- FMCSA and PHMSA regulated position
- Use of respirator
- Hearing conservation
- DOT commercial driver
- Emergency response responsibilities
- HAZWOPER training
- Access to proprietary information
- Residency within 30 miles of work location
